

USEFUL CONTACTS

On this page are listed suppliers of a range of goods and services that you may require. The list gives you somewhere to start. Please let us know of any problems.

When making arrangements it is absolutely essential to make clear who you are, which facility you are using, when and where you are expecting deliver, how you can be contacted, how you will pay. Remember, any business is solely between yourself and the trader.

Let us know about deliveries arriving before you on the final arrangements form.

Telephone numbers without an area code are local 01691- numbers
